

## Experienced Recruitment Consultants– Swindon, Manchester and the Midlands

Outsource UK Ltd is looking to grow our well-established Recruitment Teams in our Head office in Swindon, as well as in our Manchester and Midlands office (Newcastle under Lyme, near Stoke on Trent in Staffordshire)

***Are you an experienced, motivated and driven 360 Recruitment Consultant who is keen to put your own personal stamp on an independent 'Award Winning' Recruitment Consultancy?***

***Whether you work in IT or any other professional recruiting arena, come and work for an expanding organisation which gives you the autonomy to grow your desk to new levels and take your recruitment career forward.***

At Outsource UK, our company ethos is 'Our People. Your Success' and we truly believe in this when dealing with our clients, candidates and colleagues.

### **If you are an experienced consultant, why join Outsource?**

Despite organic growth being at the route of Outsourcer's success, we also appreciate that there are talented and more often than not, under-utilised recruitment consultants working elsewhere. As a result, Outsource continue to target such consultants who can bring a fresh approach and new ideas into our business for all to benefit from.

Outsourcer's staff retention is very good with a strong team ethos running through the heart of the business, with everyone following the same core values of integrity, dedication, accountability and consultation. Many people have been nurtured from entry level over the years and now sit in senior management positions in the company. Equally we have introduced experienced Managers into the business in recent years that have added great value to the business.

Outsource have an incentive scheme which is equally achievable for those who have been in the job 6 months or 6 years. Our uncapped commission structure means you have unlimited earning potential and we do not have any minimum thresholds.

We are keen to hear from any professional Recruitment Consultants, especially those from an IT, Digital, technical or engineering recruitment sales background. If you have also been in house recently, but are keen to regain the buzz of business development and sales we are equally keen to hear from you.

If you are ready for a change and or just want an informal and confidential conversation please contact Anna Stretch – Recruitment and Training Manager on 07827 665075 or email your CV with covering details to [astretch@outsource-uk.co.uk](mailto:astretch@outsource-uk.co.uk)
