

Experienced Recruiter / Recruitment Consultant– Cyber/Engineering - Manchester

About Us

Outsource UK is a specialist recruitment consultancy built on lasting client relationships and a passion for people. Care is central to our philosophy, so you'll find plenty of perks and an open, friendly atmosphere in every corner of the company.

We also do our utmost to be a pleasure to work with – and the testimonials we receive from our clients and candidates suggest we're getting it right!

The Role

An exciting opportunity has arisen in our Manchester office as a Recruiter/Recruitment Consultant. As a recruiter for Outsource, you will be targeted to fill vacancies by delivering quality and qualified candidates to our key clients within the required timescale. It's imperative to build relationships within your market, so you will have the desire to learn more and more about the recruitment industry to improve your knowledge and skill set to become an expert in your field. And this is just the beginning, you will be taking over a niche desk where you will have the opportunity to work with our already established client base, as well as having the opportunity to grow your business with new clients.

Skills

We are looking for someone who has experience within engineering or cyber recruitment, who will be responsible for the whole 360 recruitment process. A competitive instinct and the tenacity and drive to build up the business is essential for this position. We want someone who is willing to go that extra mile to secure the best talent in the market for our candidates and clients. It will be your responsibility to develop your own candidate networks so that you are best placed to meet the requirements of our clients. You will have the confidence to liaise with a wide range of people, obtaining as much information as possible from them; to do this effectively you will have to pre-screen a number of potential candidates over the telephone, update the database and highlighting suitable and available candidates for the rest of your team. To be successful you must enjoy talking to people and have a confident telephone manner with excellent customer service skills to match.

Your influence and outgoing personality will be essential in being able to negotiate and sell to your stake holders!

Benefits

Our Engineering & Cyber Team are busy busy busy!! You will join a fun and supportive team, where recruiters have individual accountability to deliver successful placements to our prestigious customers. Outsource will give you full support, training and coaching to help you achieve your goals and in return for your hard work and commitment we'll invest in your development, celebrate your success and reward you with the below:

- Uncapped commission scheme
- Competitive salary,
- 23.5 day's annual leave – which increases after 3 years with the company
- Company access to Perk Box
- Healthy Breakfast Mondays
- Childcare Vouchers
- Pension Contribution Scheme
- Cycle to Work Scheme
