### Conduct Regulations opt out

If you are supplied via an umbrella company or other intermediary, then both parties can opt out of being covered by the Conduct of Employment Agencies and Employment Businesses Regulations 2003 (the Conduct Regulations). The opt out must be given in writing to the employment business by both the umbrella or other intermediary and the person being supplied to do the work. The employment business cannot encourage you to do this and it must be your own decision.

This document is for information only and does not qualify as an agreement for opting out of the Conduct Regulations.
