Timesheet and expense basics

Statuses of timesheets and expense claims explained:

Missing: Timesheets that should be received during a specified date range but have not yet been created.

Draft: Saved but not yet submitted. There are no draft expenses.

Submitted: Created and submitted for approval. Submitted timesheets and expenses cannot be modified so please ensure the details are correct before submitting.

Approved: Approved by your manager for payment.

Rejected: Rejected by your manager. This is usually because of incorrect hours or expense lines. The manager may have provided a comment as to why the timesheet or expenses was rejected.

Once rejected, the timesheet becomes a draft for editing and resubmitting. Expenses can be edited via the expenses Rejected menu option

Entering your timesheet

To begin, hover over Timesheets from the main menu bar at the top of the screen and select Create.

You will then be prompted to select the placement from the drop down box to enter time against, as well as the week ending date. You can use the provided calendar popup to help you select the correct date.
